

NON-RESIDENTIAL HEATING & COOLING EFFICIENCY PROGRAM

FAQs for Contractors

Q What is Dominion Virginia Power's Non-Residential Heating & Cooling Efficiency Program?

A The Non-Residential Heating & Cooling Efficiency program provides incentives for upgrading existing or installing new energy-efficient heating and cooling systems. Customers can receive rebates for installing qualifying energy-efficient heating and cooling equipment in non-residential facilities.

Q What are the benefits of being a participating contractor?

A Your company name and contact information will be included on Dominion's contractor search tool on www.dom.com. Customers can access this site and search for contractors by program, zip code and contractor's business name. In addition to increased exposure to potential clients with this listing on Dominion's website, you will also benefit from:

- Orientation and training sessions that provide informational updates and program support
- Access to participating contractor tools and resources
- Marketing materials to promote your services

Q How do I become a participating contractor?

A Visit www.dom-vendor.com and complete the vendor registration form. You can also print and mail it to the address below or fax it to the number listed below.

Honeywell Smart Grid Solutions
7870 Villa Park Drive, Suite 800
Richmond, VA 23228

FAX: 1-804-482-2883

Once your submission has been approved, you will be invited to attend an orientation session and can then begin to enjoy the benefits of being a participating contractor!

Q What are the benefits to my customers?

A Energy-efficient heating and cooling systems offer your customers many benefits including:

- Energy-efficient heating and cooling systems reduce energy use and can save you money on electric bills.
- Efficient heating and cooling systems can provide a more comfortable working environment for employees.
- Efficient heating and cooling systems can create a more comfortable atmosphere for customers.

Q What is the rebate amount that my customers will earn?

A Qualifying non-residential customers will receive a rebate based on the equipment they install.

Rebate information will be available soon at www.dom.com/savenowVA.

Customers may authorize payment of the rebate to the contractor to offset their out-of-pocket expenses.
